

2010-11 UNIVERSITY OF WISCONSIN  
SYSTEM GRANT PROGRAM  
*SUPPORTING THE GROWTH AGENDA*  
*ACTION STEPS*

**SPECIAL NOTE**

All UW System institutions are eligible to apply and up to two proposals per institution will be accepted. An internal review panel will select Whitewater submissions--in consultation with the Provost--should more than two faculty/staff/groups submit proposals by the UWW ORSP deadline. Each proposal must be signed off by the Provost(s) and the Grants Officer(s). ORSP will coordinate internal review / certification.

For 2010-11, requests are limited to a maximum of \$100,000 per project. Collaborative proposals across disciplines, schools, colleges, or institutions are especially encouraged.
